RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability.

When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution. We invite you to come and be a part of a winning solution.

PRODUCT DESCRIPTION:

Perspective is an advanced silicone-based wax sealant that provides instant "sheeting" action to help reduce water spotting. It leaves an additional layer of protection on vehicles and is very fast drying.

INSTRUCTIONS:

For injecting into rinse cycle: Set metering valve to deliver 1 ounce of Perspective to every 1 gallon of water. This value may vary depending on water hardness.

Suggested dilutions only. Use as a starting point. Adjust accordingly for best results.

CUSTOMER BENEFITS:

- Easy to use.
- Provides excellent sheeting action.
- Helps eliminate spotting.
- Cost effective.
- Biodegradable.

Attention: Refer to our Material Safety Data Sheet regarding hazards, personal protection, and disposal of this product.
