

PERFECT BAY OPTIONS...

STAINLESS STEEL MAT CLAMP

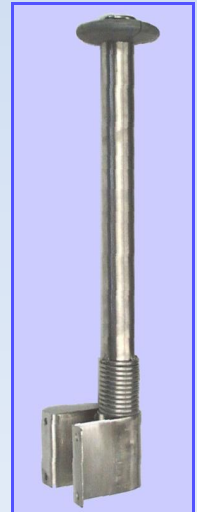

The all new Stainless Steel Mat Clamp is a single car mat holder. The unique close-pin design makes use simple. The design makes them maintenance free and will look good from the day you install them.

Crafted from stainless steel with a flex spring to reduce damage potential, a rubber bumper to prevent wall damage and a bottom connection that allows you to direct your weep water into a drain

SPRING WAND HOLDER

- Easy Operation
- No Corrosion
- No Maintenance

- Water Tight Housing (UL595)
- Impact Resistant Glass Lens
- Lektrocote Finish on Die Cast Aluminum Housing

LIGHTS

The perfect bay lighting is the metal Halide Light. If you don't have it you should. Decrease lighting cost per month with long life and efficiency. Additional brochures are available.
