Portable Rotary Screw

13-38 HP Gasoline Powered Compressors

The CAS portable screw compressors are designed for the most demanding portable compressor applications. The screw air end is designed for years of service in high duty cycle applications. If your application calls for high cfm output in a small package the CAS portable screw compressor is built with you in mind.

- Electric start motor idles when unloaded
- 30 gallon ASME receiver unit delivers 60 cfm @ 150psi.
- Operating pressures from 100-180 psi
- German made rotary screw air end with spin on separator and oil filter
- Low oil shut down and high temperature shut down

PORTABLE ROTARY SCREW					
Model	HP	CFM @ 150 PSI	Tank	Engine Brand	Airend
RS110GEC30	10	20.5	30	Kohler Diesel	NK30

50 GALLON RECEIVER AVAILABLE

Elite Portable Rotary Screw

**FREIGHT
PREPAID**

CAS portable Elite Rotary Screw compressors manufactured with both gas and diesel engines are the simplest to operate, easiest to maintain portable rotary screws manufactured today. With sizes from 13-140 HP and CFM ranges from 20-375 we make the compressor to fit your needs. These units are designed to meet your heavy duty applications, and still (13-38hp) be able to fit in the back of a standard pickup truck with out any modifications.

All Standard Features plus:

- 1 Battery mounted and wired
- 2 Belt guard sir cooler
- 3 Vibration pads

Hydraulic Portable

CAS Portable hydraulically driven units are manufactured with the same great pumps and airends that our gas, diesel, and electric units use. The units are built to exceed all industry standards by delivering more air at 150 psi than any comparable unit.

HYDRAULIC INDUSTRIAL PORTABLE COMPRESSORS						
Model #	CFM 150 PSI	GPM Required	Hydraulic PSI Required	Steel Cover	Tank Mount Available	Cooler Installed
H-BM40	40	10.00	2850	Yes	Yes	Yes
H-BM60	60	12	2850	Yes	Yes	Yes
H-BM120	125	30	2850	Yes	Yes	Yes
