STAINLESS STEEL COIN METERS

High Security Coin / Token / Bill Acceptance / Credit Card

- Meters accept coins, tokens, bills and Credit Cards. Digital Timer with LED readout, 10-position rotary switch and Electronic Coin Mechanisms
- Digital meters feature a high intensity LED readout which is easily seen in the bay. With one minute remaining, horn (included) sounds for 5 seconds and then readout flashes for the remaining countdown
- Available with built-in coin box / Heavy-guage Stainless Steel construction. Upper door is hinged for easy access and maintenance
- T-Handle screw lock for added security
- Stainless Steel Construction
- Push-Lock plug-in harness
- Mars Bill acceptors can be set for $1, $5 bills if desired
- Same reliable features as the Coin/Token/Bill Acceptance, but with credit card acceptance. Now you can offer the option of Visa, Master Card, Discover and American Express. You can even offer Fleet Cards to generate additional revenue
- Individual Credit card decals allow you to select which cards you will accept to minimize monthly fees
- Easy to follow instruction
- Dimension: 26"H x 12"W x 7-7/8"D

Optional Upgrades:
 · Upgrade to a Mars Validator that accepts $10 and $20 bills
 · Upgrade to Accept $1 coins
