

Aluminum Series

Dealer Cold Water Pressure Washers

Electric — Hand Carry/Portable/Stationary — Direct Drive

1500-PSI portable model

This powerful electric pressure washer series is ideal for removing dirt, mud, mold and mildew from almost any surface. Contractors love the lightweight portable model because it is easy to move from one job to the next. This series also offers convenient hand carry and stationary models.

Pump:

Direct drive triplex piston General pump with ceramic plungers | External bypass system allows more water into the system to protect from heat build-up | Stainless-steel and brass trapping unloader

Motor:

Low speed 1750 RPM

Frame (Portable models):

Lightweight, corrosion-resistant aluminum frame and base plate with 1¼-inch tube handles | 13-inch flat-free tires (10-inch on 1500-PSI model)

Unit Includes:

Quick connect nozzles - 0°, 15°, 25° and 40° | External downstream detergent injector with detergent nozzle | 50-foot x ¾-inch non-marking high pressure hose (25-foot on 1500-PSI models) | 36-inch lance with rubber grip (48-inch on) | Professional-grade insulated “easy pull” trigger gun with safety lock-off
