

PRODUCT PROFILE

THUNDER™ POWDER

FORMULA 9117

Heavy Duty, High Foaming Powdered Exterior Wash Detergent

DESCRIPTION

Thunder™ Powder is a heavy duty powdered vehicle detergent that creates a generous amount of foam on vehicles. Thunder™ Powder was formulated for washing passenger cars and trucks in Automatic and Self-Serve car / truck wash systems and for hand washing. It can also be used as a general purpose cleaner. High foam levels provide excellent dwell time on vertical surfaces. 100% Biodegradable.

AT A GLANCE

- > **Excellent penetrating power**
- > **Higher Alkalinity for removal of heavy soils and grime**
- > **High Foaming levels provide excellent dwell time**
- > **Very stable in hard water**

APPLICATIONS

Automatic Carwashes
Self-Serve Carwashes
Tunnel Carwashes

Truck Washing
Fleet and Equipment Washing

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
