## TEMPEST™

FORMULA 9141

High Pressure Wash Super Concentrate

**BENCHMARK**  
FORMULA

### DESCRIPTION

Tempest™ is an ultra concentrated detergent designed specifically for the car and truck wash industry. It removes road film easily in both self-service/touchless wash systems, yet versatile enough to be used in friction wash systems. Tempest is high foaming with a pleasing clean citrus fragrance for optimal customer appeal. Its multi-functionality allows it to be used as both a wash and presoak, saving valuable equipment room space. This ultra concentrated formula is long lasting and gives a lower cost-per-car over traditional presoaks. Biodegradable.

### AT A GLANCE

- > ***This Long lasting formula is High Foaming and contains a pleasant citrus fragrance.***
- > ***Lower cost per car than traditional high pressure washes.***
- > ***Extremely Stable in hard water.***

### APPLICATIONS

Automatic Carwashes  
Self-Serve Carwashes  
Tunnel Carwashes

Truck Washing  
Fleet and Equipment Washing

## RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
