FOAM KLEEN™ GOLD

FORMULA 9309

Gold Foaming Conditioner

BENCHMARK
FORMULA

DESCRIPTION

Foam Kleen™ Gold is a high foaming, brilliant gold colored, liquid concentrate designed for use in foam brush applicators or in triple colored foaming systems found in self-service, automatic, or tunnel washes. Its high emulsifier content allows for quick penetration and rinsing of soil particles. The high foaming characteristic enables the product to work longer on the surface of the vehicle. Its outstanding show with its bright color and pleasing Pina Colada fragrance adds merchantability and profit to your car wash. 100% Biodegradable.

AT A GLANCE

- > **Brilliant Gold colored foam and Pleasant Pina Colada Fragrance.**
- > **Extremely Concentrated for Economical Use.**
- > **Non-streaking rinse.**

APPLICATIONS

Self-Serve Carwashes

Foam Brush Applicators

Friction Automatics

Tunnel Washes

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
