

GDX-40.01

ACIDIC PRESOAK

DESCRIPTION

Designed with the user in mind, this product combines effectiveness with safety. This product is comprised of mild organic acids and surfactants intended to remove concrete buildup from trucks, tools and equipment with relative ease. This special formulation turns time spent scrubbing into productivity. Simply spray on watch the concrete melt away.

USAGE INSTRUCTIONS

This product can be applied through a sprayer or by manual application. For greatest effectiveness, apply when the surface is dry. Product is designed as a ready-to-use formula and no further dilution is necessary. After application allow sufficient contact time to remove concrete build-up. Repeat application as necessary.

FEATURES

- Contains no harsh inorganic acids
- Concentrated
- Works quickly and effectively
- HF and ABF free
