WINTER KARPET SHAMPOO

PRODUCT NUMBER 9471

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability.

When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution. We invite you to come and be a part of a winning solution.

Attention: Refer to our Material Safety Data Sheet regarding hazards, personal protection, and disposal of this product.

Techsheet Modified on 7/7/2004

PRODUCT DESCRIPTION:

Winter Karpet Shampoo is designed for use in dry foaming shampoo vending machines during any season of the year. This product provides exceptional foaming that lifts and collects dirt and soil from upholstery or carpet leaving a dry cleaned surface, unlike most carpet shampoos that saturate the fabric. It dries thick and brittle, allowing for easy and effective vacuuming of all types of soil. Winter Karpet Shampoo will not freeze at temperatures down to -30F.

INSTRUCTIONS:

Pour Winter Karpet Shampoo undiluted into dry shampoo machine. Use shampoo foam adapter to scrub carpet and upholstery working into a rich, thick foam. Let product dry for 1-2 minutes then remove by vacuuming.

* Not recommended for leather.

CUSTOMER BENEFITS:

Bonds tightly to dirt and soil for exceptional cleaning.
Dries brittle quickly for easy vacuuming.
Biodegradable
Easy to use
Safe to use on all carpets and car upholstery.
Will not freeze at temperatures down to -30F.
