

DATA ACCESS NETWORK (D.A.N.)

The **Data Access Network** acts as a central hub at your car wash location, providing credit card clearing, audit information, equipment status, and much more.

☰ STANDARD FEATURES

- Windows 10 operating system
- Ties any Hamilton equipment (HTK, CTK, Gold Line®, DTT's/DTI's) to *Hosted Solutions*
- Supports high-speed credit card clearing for Gold Line®, change machines, and DTT's/DTI's
- Remote access available: view and print audit reports, clear soft errors, and change settings on Gold Line® kiosks, the CCD changer, and DTT's/DTI's (requires a VPN*)
- Email and text notifications: get status and error reports on any equipment connected to the D.A.N.
- Supports Customer Value Cards (CVC) (requires a Points to Partners (P2P) account)
 - sell value/gift cards and build a loyal customer base
 - customize with your logo and brand
 - use as either pre-paid or post-pay card
 - allows you to reduce credit card fees
 - same size as a credit card
- Validated payment application (PCI PA-DSS)

⊕ OPTIONS

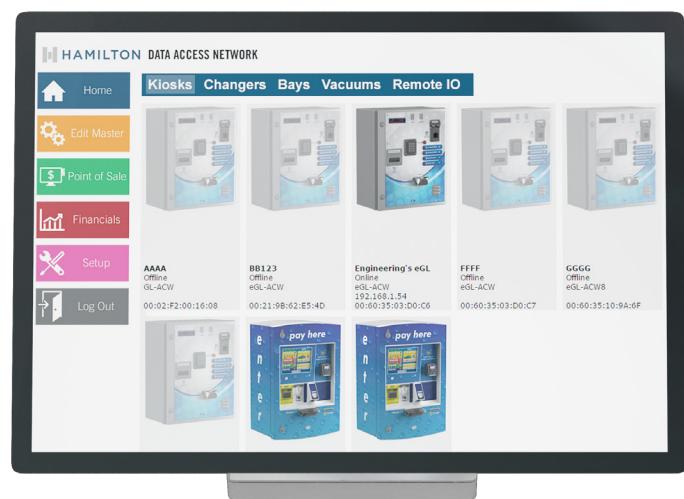

- Card reader to activate, recharge, and check balances of CVC cards
- Transaction receipt printer (allows printing of receipts from D.A.N.)
- Cash drawer and transaction receipt printer

D.A.N. TRANSACTION TERMINALS

A **D.A.N. Transaction Terminal (DTT)** ties into your existing bay boxes to provide mobile payment, credit card, or cash options to your self-serve operations. It can also be used for vac stations and pet washes.

DTT with BARCODE

- Barcode scanner lets customers use your Custom Mobile App** to activate bay timers, vacuums, and pet washes
- Optional mag stripe reader can be added to process Customer Value Cards or credit cards (non-EMV)
- High-strength 11-gauge stainless steel cabinet
- Bright, back-lit display shows minimum charge, final charge, and custom messaging
- Full cabinet wrap can be customized with your brand, logo, and instructional text
- Lets you offer alternate payment method to coins without the need for expensive EMV hardware upgrades

**requires appropriate Hosted Solutions subscription

DTT with CARD READER

- Mag stripe reader processes Customer Value Cards and credit cards (non-EMV)
- High-strength 11-gauge stainless steel cabinet and door
- High security MEDECO® lock
- Bright, back-lit display shows minimum charge, final charge, and custom messaging
- Door wrap can be customized with your brand, logo, and instructional text
