RUST PREVENT™

FORMULA 290

NON-NITRITE Corrosion Prevention Sealant

DESCRIPTION

Rust Prevent™ is a superb rust prevent formula. This non-nitrite formula is designed to leave a protective coating on metals. It also provides long lasting protection from corrosion causing elements. Rust Prevent™ is designed for a wide variety of applications. It's combination of chemicals prevent rust on all ferrous materials.

AT A GLANCE

- > **Non-Nitrite Formula**
- > **Excellent for preventing rust**
- > **Leaves a protective coating on metal surfaces**
- > **Provides long lasting protection from corrosion**
- > **Biodegradable**

APPLICATIONS

Machine Shops
Manufacturing Plants
Remanufacturing Plants

Powder Paint Facilities
Liquid Paint Facilities

SPECIFICATIONS

Physical Form: Liquid

pH (1% dilution): 9.0 - 10.0

Recommended Dilution: 10:1

DOT Class: None

Color: Brown

Fragrance: None

RUST PREVENT

CORROSION PREVENTION

FORMULA 290

NET CONTENT 5 Gal (19 Liters) ■ 55 Gal (209 Liters)

DIRECTIONS:
Ferrous metals: Dilute five gallons of concentrate to 55 gallons with water. Solution may be either sprayed onto metal or used in a dip operation and allowed to dry.

INGREDIENTS:
A Proprietary Blend of Corrosion Inhibitors.

WARNING:
Caution! Irritant!! May cause severe eye irritation upon direct eye contact. Prolonged or repeated skin contact may cause reddening and irritation. Inhalation of mist may irritate nose, throat and mucous membranes. Ingestion can irritate or burn mouth, throat and stomach. Wear proper protective clothing when handling.

FIRST AID:
Eyes: Flush with water for 15 minutes and get medical attention if irritation persists. Skin: Flush thoroughly with water. Inhalation: Remove patient to fresh air. Ingestion: Dilute by drinking 2 large glasses of water. Consult a physician immediately.

CAUTION: Refer to our MSDS regarding Handling and disposal of this product.

EMERGENCY: Call Chemtree day or night for assistance concerning spilled material, fire, explosion or other accidents. 1-800-424-9300

WARRANTY: KO Manufacturing, Inc. warrants to its label description. MANUFACTURER'S WARRANTY, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY OR ANY OTHER WARRANTIES, IN NO CASE SHALL BE LIABLE FOR CONSEQUENTIAL OR DIRECT DAMAGES RESULTING FROM THE HANDLING OF THIS PRODUCT. Manufacturer and Seller's liability shall be limited to return of the purchase price.

The above may be affected by state or local government restrictions or laws. Some states do not allow any limitations upon implied warranties of fitness and merchantability for certain products.

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
