SHIELD™

FORMULA 9240

Clearcoat Sealant

BENCHMARK™
FORMULA

DESCRIPTION

Shield™ is a carnauba and silicone based wax formulated for the car wash industry. The unique combination of silicone, surfactants and emulsifiers insure a rapid uniform deposition of extra clearcoat protectors and exceptional beading and sheeting of water. Shield™ provides instant wax-like protection with long lasting durability in all weather conditions. Added silicone also adds to the polished shine to enhance the original luster of the painted surface. 100% Biodegradable.

AT A GLANCE

- > **Carnauba and silicone based wax provides excellent protection.**
- > **Long lasting durability.**
- > **Rapid and uniform deposition on car or truck.**

APPLICATIONS

Automatic Carwashes
Self-Serve Carwashes
Tunnel Carwashes

Truck Washing

Sample Label

DIRECTIONS:
For automatic and self-serve car washes. Set metering equipment to deliver clear coat sealer at a dilution of 1 part chemical to 240 parts water. Manual application is 1 part chemical to 512 parts water.

INGREDIENTS:
Water, Carnauba Wax, 2-Butoxy Ethanol, Proprietary Surfactant Blend, Chemicals, and Stabilizers.

WARNING:
Keep away from heat, sparks, or open flame. May cause severe eye irritation or eye burns. Prolonged or repeated skin contact may cause dryness, irritation, or allergic reactions. Cause headache, dizziness, weakness, or fainting. Ingestion may cause nausea, vomiting, or diarrhea. May cause toxic effects including signs of respiratory depression. Wear solvent resistant gloves when handling.

FIRST AID:
Eyes: Flush with water for 15 minutes and get medical attention if irritation persists. Skin: Flush thoroughly with soap and water. Inhalation: Remove patient to fresh air. If breathing has stopped, give artificial respiration. Get medical attention. Ingestion: Call a physician immediately. Do not induce vomiting.

ATTENTION: Refer to our MSDS regarding handling and disposal of this product.

IN CASE OF EMERGENCY: Call Chemtrec day or night for assistance and information concerning spilled material, fire, exposure, and other accidents. 1-800-424-9300

Manufacturer warrants this product to its label description. **MANUFACTURER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, WHETHER OF FITNESS OR MERCHANTABILITY OR ANY OTHER MATTER RESPECTING THE PRODUCT; IN NO CASE SHALL MANUFACTURER OR SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.** Manufacturer and Seller's liability shall be limited to return of the purchase price.

The above may be affected by state or local government restrictions or laws. Some states do not allow any limitations upon implied warranties of fitness and merchantability for certain products.

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
