Sample Label

DIRECTIONS:
For automatic and self-serve car washes. Set metering equipment to deliver 1 part chemical to 180 parts water. May be used up to 1 part chemical to 360 parts water.

INGREDIENTS:
Water, AutoShine™, Proprietary Surfactant Blend and Carnauba Wax.

CAUTION: Irritant. May cause eye irritation upon direct eye contact. Inhalation or repeated contact may cause reddening and irritation. Inhalation or contact with the skin, mouth, throat and mucous membranes may irritate. Avoid contact with skin, mouth, throat and stomach. Wear protective gloves when handling.

FIRST AID:
Eyes: Flush with water for 15 minutes and seek medical attention if irritation persists. Skin: Flush thoroughly with soap and water. Inhalation: Remove patient to fresh air and if breathing has stopped, give artificial respiration. Get medical attention. Ingestion: Call a physician immediately. Do not induce vomiting.

ATTENTION: Refer to our MSDS regarding handling and disposal of this product.

IN CASE OF EMERGENCY: Call Chemtrec day or night for assistance and information concerning spilled material, fire, exposure, and other accidents. 1-800-424-9300

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
