

DIRECT DRIVE ELECTRIC HOT WATER PRESSURE WASHER

ACS-320-EHW

3 GPM @ 2000 PSI

- Max Output Temperature - 175°
- Motor Horsepower 4 HP
- 230 V, 20 AMP, 1 Phase
- Stack size 7
- Approximate Weight: 290 lbs.
- Length 31.5" x Width 24.5" x Height 39"

3 Year Limited	5 Year Limited	1 Year Limited
Coil Warranty	Pump Warranty	Electric Motor Warranty

Features Include:

- Direct Drive Pump
- Industrial High Efficiency Electric Motor
- AR RCV3G25D Pump Assembly
- High Limit Temp Control
- Built-In Hose Reel Socket
- Extremely Efficient Heat Chamber Design
- Water Separating Fuel Filter
- Exclusive Combustion Chamber Insulation System
- Heating Coil constructed of ASTM A53 Schedule 80 Steel pipe
- Four Flat Free Tires with Mag Style Wheels
- Corrosion Proof Molded Polyethylene Fuel Tank
- Quick Coil Access
- Fuel Oil Solenoid
- In-line Fuel Filter
- Trigger Gun Control
- Durable Powder Coated Automotive Quality Black Paint Finish.
- 3/8" x 40' High Pressure Hose Assembly w/Safety Hose Guard
- 36" Insulated Wand
- GFCI Protection with 10' Electrical Cord
- Flexible Vinyl Poly Coated Tri-Lingual Decals
- Flood Nozzle w/Fixed 15° Spray Tip

Hose Reel Sold Separately

Part Number ACS-SWVL-FL38X200
