

The Car Wash Starts Here.

# c-WashPal™

Introducing *c-WashPal*, Unitec's latest solution in console technology. The c-WashPal is a touch screen panel PC that provides compact local access to the Sales screens of the the Sierra management software. It is used as a Point-of-Sale (POS) inside your convenience store (C-Store) or your site office. When paired with Unitec payment systems\*, your car wash transactions are simplified and consolidated.

## Management Sales Tool

The c-WashPal provides compact local access to the sales screens of the Sierra management software to issue codes, check and void codes, issue rewash codes, sell and reload house accounts and gift cards, and print reports. Manage your car wash without leaving the register!

## Design

c-WashPal has a bright 7" LCD touch screen that has a durable anti-scratch surface that never needs calibrating. Its ultraslim footprint saves valuable counter space and requires no ventilation. The on-board card reader allows for quick VIP Wash Pass programming.

\*c-WashPal may be used in conjunction with Unitec's Sentinel, Portal TI+ and C-Start.

## Unitec – Who We Are

Unitec develops, designs and manufactures reliable, innovative point-of-sale entry systems for the car wash industry. In addition to selling complete systems, system components and parts, we develop custom applications for high-volume resellers and retailers, providing owners of automated car wash facilities the right equipment, tools and marketing opportunities to increase revenues while improving customer loyalty. Unitec has earned a reputation for producing systems of the highest quality and reliability in the industry, from simple swipe-and-go credit card terminals to the most sophisticated, internet-enabled and video-capable touch screen kiosks. We are in business to satisfy the car wash owner's foremost needs, offering free-standing, customer-activated products that integrate with all types of car wash control technologies.
