

# EZ DRI BERRY

Drying Agent

## DESCRIPTION

This highly concentrated drying agent is designed to bead water to promote more effective drying. This product has a pleasant berry fragrance. This product delivers results time after time.

## USAGE INSTRUCTIONS

This product is ideally applied under low pressure application in tunnel and in-bay automatic settings. Begin application at 1000-1500:1 (4-6 drops). For high pressure application apply at 2000-3000:1 (2-3 drops). In applications where greater amounts of rinse water are applied to the vehicle stronger dilutions of product may be required.

## FEATURES

- Rapidly beads water
- Great berry fragrance
- Biodegradable
- Highly concentrated for minimal usage

## SIZES AVAILABLE

5-gallon pails Code: 11-77610-005  
15-gallon drums Code: 11-77610-015  
30-gallon drums Code: 11-77610-030  
55-gallon drums Code: 11-77610-055
