

EZ LOW FOAM

Lo PH Foaming Detergent

DESCRIPTION

This highly concentrated low pH detergent provides amazing results, while driving costs down. This product generates thick white foam that helps lubricate wraps and keeps them looking clean. This product also neutralizes alkaline presoak carryover to improve drying agent performance. It is truly a beast in soft touch applications for both in-bay automatic and tunnel washes.

USAGE INSTRUCTIONS

This product should be applied using a foam generation applicator (foam stick, shower head, pod, foam curtain, etc.). Begin by applying it at 750-900:1. This product is viscous and thus may require larger metering tips/settings to pull at the proper rate. For best results dilute product with soft water when applying.

FEATURES

- Produces rich white foam
- Effectively keeps cloth clean
- Cleans and shines vehicle
- Phosphate Free

SIZES AVAILABLE

5-gallon pails Code: 10-30132-005
