

# Titan

## Alkaline Presoak

### DESCRIPTION

An ultra-concentrated alkaline cleaner for those tough cleaning conditions. This presoak is a true 2x version of Select 35 and utilizes the same cutting edge detergent technology. It produces cleaner and shinier glass, paint, wheels and white walls. Like its predecessor, this formula is also hard water compatible so you know can count on it.

### USAGE INSTRUCTIONS

For touch free applications start by using it at 100-140:1 (10-14 drops). For tougher cleaning conditions slowly increase strength. For friction applications start by using at 175-240:1 (6-8 drops). Adjust strength as necessary. Product is best applied under low pressure application. Allow product to dwell for a short time before removing.

### FEATURES

- Excellent hard water stability
- High foaming
- Effective on a wide variety of soils and conditions
- Highly concentrated

### SIZES AVAILABLE

5-gallon pails Code: 10-10109-005  
15-gallon drums Code: 10-10109-015  
30-gallon drums Code: 10-10109-030  
55-gallon drums Code: 10-10109-055

### SPECIFICATIONS

COLOR: YELLOW/GREEN  
FRAGRANCE: NONE  
FOAM: WHITE  
PH: 13-14
